

Jessica Simpson, Final Heartbreak

It's all about the way you're feelin
Deep in your heart
When she let you go
I don't doubt you care
Believe that
It tears you apart
Whatcha didn't know,
Someday you'll remember
Why you fell for her
Why you said goodbye
Don't let your broken heart keep forever mending
And miss out on love that is never ending, yeah

[CHORUS]

This could be your final heartbreak
I could show you what good love takes
Never say good bye
Never make you cry
Yeah this could be your final heartbreak
This could be
Your final heart
Your final heartbreak

I don't wanna take advantage
Or maybe I do
And I know it's true
That I can help undo the damage
All of the hurt
That she did to you
You need someone you can talk to
Someone who feels the same
About everything you do
And I could be the one to make you forget her
I wanna be the one to make you feel better - yeah!

[CHORUS]

I'll let you feel a love so real
I'll let you know
Oh, I gotta let you know
You will forget
She will regret
Letting you go
I will not let you go
This could be

[CHORUS x3]
