

Jessica Simpson, I Belong To Me

I belong to me...

It's not that I don't wanna share my life with you baby
It's just that I'm the one I need to be true to baby
And I won't give up me to be part of you
It's not that I don't wanna have you in my life baby
It's just you gotta know that it's got to be right baby
Before I open up my heart to you

I don't need somebody to complete me
I complete myself
Nobody's got to belong to somebody else

I belong to me
I don't belong to you
My heart is my possession
I'll be my own reflection
I belong to me
I'm one not half of two
And if you're gonna love me
You should know this baby
I belong to me

I gotta let you know before I let you in, baby
That who I am is not about who I am with, baby
That don't mean I don't wanna be here with you
I do

I don't need somebody to complete me
I want you to know
I'll give up my love but I'm not giving up my soul

I belong to me
I don't belong to you
My heart is my possession
I'll be my own reflection
I belong to me
I'm one not half of two
And if you're gonna love me
You should know this baby
I belong to me

Oh yea

Love don't mean changing who you are to be
Who somebody wants you to be
Nobody's got to belong to nobody

I belong to me
I don't belong to you
My heart is my possession
I'll be my own reflection

I belong to me
I don't belong to you
My heart is my possession
I'll be my own reflection
I belong to me
I'm one not half of two
And if you gonna love me
You should know this baby
I belong to me
