

Jessie Daniels, Hold Me Now

I tried so hard to fill the emptiness, inside
but nothing ever seemed to fit in
i tried to understand the loneliness in my life
but nothing ever seemed to make sense
until you, until you opened up my eyes to
all that i ever wanted was this peace thats you, hold me now as you hold me now, yeah
all that i ever needed was this love thats you hold me now forever, hold me now
oh i never knew what heaven was before but now im finally understanding
right next to wherever you are is where i want to be
oh i didnt see a happy ending
until you, until you opened up my eyes to
all that i ever wanted was this peace thats you hold me now as you hold me now
all that i ever needed was this love thats you hold me now, forever, hold me now
as you hold me now you hold me you hold me now just hold me now, yeah
wrap your arms around me and never let go
i never want, never want you to let go
wrap your arms around me i never want you to let go
i never want never want you to let go
wrap your arms around me why dont you hold me now
wrap your arms around me never let go never let go
please dont let go
just hold me now
