

# Jessie Daniels, What Happened To Me

I was only out to have some fun  
Looking out for number one  
Drifting with the wind  
Was all I ever knew  
I wasn't looking for a change  
I didn't want to rearrange  
My plans, My dreams  
But I didn't count on you  
Cause you snuck in  
Under my skin  
So fast, I never got to ask

What Happened to me  
Who I used to be  
Has suddenly turned up missing  
Does love do this to you  
Make you turn into a completely different person  
If it does, I guess love's  
What happened to me

And everything I thought I knew  
Has been redefined by you  
Now there's no need for  
This stupid disguise  
I stepped into a different place  
the moment that I saw your face  
I swear I saw myself  
Deep in your eyes  
And I don't know how  
All I know now  
For sure  
It's obvious that your

## CHORUS

Yeah, all my friends  
Who knew me when  
Wonder...  
What happened to her
