

# Jessie J, Excuse My Rude (ft. Becky G)

Me - Me - Me - Me - Me  
That's all you ever talk about  
Me - Me - Me - Me - Me  
Sick of when you scream and shout  
Me - Me - Me - Me - Me  
So baby go and run your mouth (r-r-run your mouth)

I - I - I - I - I  
I try and show you that I'm there  
I - I - I - I - I  
I end up ripping out my hair  
Why - I - I - I - I  
Do I even wanna care (w-w-w-w-wanna care)

I can't believe  
That this is what it's come to  
I've held it in  
But it's time you know the truth  
Excuse my rude but I really hate you  
I never thought I'd be the one

To fall for it  
N' let you in  
To mess it up once again  
I'm over it so here it is  
Excuse my rude but I really hate you

Yeah - Yeah - Yeah - Yeah - Yeah  
This isn't how it was before  
Yeah - Yeah - Yeah - Yeah - Yeah  
Now I'm the girl you can't ignore  
Now - Wow - Wow - Wow - Wow  
I'm brave enough to say no more  
(no more - no more - n-n-n-n-n-n-n-n-no more)  
Do - Woo - Woo - Woo - Woo  
You even want to understand  
Do - Woo - Woo - Woo - Woo  
You think you're still in command  
Do - Woo - Woo - Woo - Woo  
You see I got the upper hand (u-u-u)

I can't believe  
That this is what it's come to  
I've held it in  
But it's time you know the truth  
Excuse my rude but I really hate you  
I never thought I'd be the one

To fall for it  
N' let you in  
To mess it up once again  
I'm over it so here it is  
Excuse my rude but I really hate you

[Becky G]  
They say hate is a strong word  
But I got that urge treat me like a waiter  
So you better get served  
With that Becky G special  
I'm shakin your credentials  
Acting like a benz  
But to me you just a rental  
Keep it simple  
It's not about the cars acting hard

It's too easy, boy  
You gotta please me, believe me  
So I hit you on the telly  
When I'm in you areay next nevuary

I can't believe  
That this is what it's come to  
I've held it in  
But its time you know the truth  
Excuse my rude but I really hate you  
I never thought I'd be the one

To fall for it  
N' let you in  
To mess it up once again  
I'm over it so here it is  
Excuse my rude but I really hate you
