

# Jessie J, One More Try (from & Juliet)

have you ever felt out of place  
like something knocked you off  
off you wave  
you try to fit your head up  
to show 'em what you're made of

i used to always feel too afraid  
to take that extra step  
make a change  
but now I've gotta stand up  
and show 'em what I'm made of

we all were born to break the rules  
I know i've got a lot of hill to climb  
but on this starry night o am feeling new  
anything goes

this is the moment, I've waiting for  
won't hold it back, no not any more  
I am starting over with tears in my eyes  
all that I am asking in one more try
