

Jessie J, Who's Laughing Now?

Mummy they call me names
They wouldn't let me play
I'd run home, sit and cry almost everyday
'Hey Jessica, you look like an alien
With green skin you don't fit in this playpen'
Oh they pull my hair
They took away my chair
I keep it in and pretend that I didn't care
'Hey Jessica, you're so funny
You've got teeth just like Bugs bunny'

Oh, so you think you know me, now
Have you forgotten how
You would make me feel?
When you dragged my spirit down?
But thank you for the pain
It made me raise my game
And I'm still rising, I'm still rising
Yeah!

So make your jokes
Go for broke
Blow your smoke
You're not alone
But who's laughing, now?
But who's laughing, now?
So raise the bar
Hit me hard
Play your cards
Be a star
But who's laughing, now?
But who's laughing, now?

Cos I'm in L.A
You think I've made my fame
If it makes us friends
When you only really know my name
'Oh Jessie, we knew you could make it
I've got a track and I'd love you to take it'
So now because I'm signed
You think my pockets lined
4 years and I'm still waiting in the line
'Oh Jessie, I saw you on youtube
I tagged photos from when we was at school'

Oh, so you think you know me now
Have you forgotten how
You would make me feel
When you drag my spirit down
But thank you for the pain
It made me raise my game
And I'm still rising, I'm still rising

So make your jokes
Go for broke
Blow your smoke
You're not alone
But who's laughing, now?
But who's laughing, now?
So raise the bar
Hit me hard
Play your cards
Be a star
But who's laughing, now?

But who's laughing, now?

Jessie

She broke out of the box
Swallowed your pride
You got that ego cough
Let the haters hate
You're like way too late
Click click to see I got a message from you
'Hola, I'm proud of you'
'Oh my god babe your voice is like wow!'
My reply: Who's laughing now

Oh, so you think you know me now
Have you forgotten how
You would make me feel
When you drag my spirit down
But thank you for the pain
It made me raise my game
And I'm still rising, I'm still rising
Yeah

So make your jokes
Go for broke
Blow your smoke
You're not alone
But who's laughing now
But who's laughing now
So raise the bar
Hit me hard
Play your cards
Be a star
But who's laughing now
But who's laughing now

So make your jokes
Go for broke
Blow your smoke
You're not alone
But who's laughing now
But who's laughing now
So raise the bar
Hit me hard
Play your cards
Be a star
But who's laughing now
