

# Jessie J, Wild (ft. Big Sean & Dizzee Rascal)

If I go hard, let me tell you that is worth it  
Play the right cards, I ain't afraid to work it  
Brushing right off, when they say I dont deserve it  
Hands on my heart, you keep my fire burning

Ooh it feels so crazy when you scream my name  
Love it when you rock me over every day  
When I think about it I can go insane  
Here we are as beautiful, im blown away

If this is a dream, won't open my eyes,  
Am I asleep? No, I'm alive  
I just can't believe that this is my life  
In my fantasy we're running wild

If this is a dream, won't open my eyes,  
Am I asleep? No, I'm alive!  
I just can't believe that this is my life  
In my fantasy we're running wild

When it get wet, then the rain starts pouring  
I turn up the heat 'cuz the drama ain't important  
Let em all talk talk, I'mma just ignore it  
Hands on my heart, you you keep me moving forward

It feel so crazy when they scream my name!

[Big Sean:]

B.I.G. Sean Dun?. OK

Now, I woke up feeling like a mirror  
I spend about an hour looking in the mirror  
As I should, as much as I've been through  
Is no wonder, I look this damn good  
I'll probably make it out any situation, that you try to put me into  
If I spoil myself around its guaranteed that i'll probably have a fish dinner  
I meet a young girl with a sex shape  
Like Jessie J we escapade  
Where its extra shape  
She make me want to give in not take like collection plates  
Woah!  
All these wars, bras, cars, wall to wall - is all a mirage  
And I could lose it all tonight  
Just to show the world I could do it twice  
With my life

If this is a dream, won't open my eyes,  
Am I asleep? No, I'm alive  
I just can't believe that this is my life  
In my fantasy we're running wild

Di-Di-Di-DIZZEE!

[DDizzee Rascal:]

Rass Collar Double the dollar  
I'm a jetsetter, brother more hitched on the white collar  
But I can't be boxed  
Flow tighter like Bob Marley locks,  
I can't be dropped  
Im at a P, 'cuz I can't be touched  
Im wilding out  
Lost ah blood  
I can't be stopped  
Pull up in a Narley Warri, buy me what?

Opposite, I can't believe  
If i'll ever get the party what?  
I can't be blocked  
10 years plus running the game  
You brothers just come in the game  
But now im coming again  
To get the people from going fuming insane  
100 fives and people going vocals in the mother marine  
Women on shoulders, tops off, shouting my name  
Im all in dey brain  
Why would I complain?  
I thought I was the boy in the corner  
But now im in a penthouse  
N-gga where is the water?  
Im living

If this is a dream, won't open my eyes,  
Am I asleep? No, I'm alive  
I just can't believe that this is my life  
In my fantasy we're running wild
