

# Jester's Funeral, Intensifire

music by Stefan Schmidt & Bastian Emig, lyrics by Stefan Schmidt

"Flames, sick of burning, sick of life, see them try to die. Flames were made for burning, baby  
Woke up after nights of doubting everything I am. Not enough of bigger stuff, I'm doubting it again.  
Intensify what is begun. Intensify what others haven't done. Every sun needs a lightening flame, Int  
I force the strength in me that I'll never rest again. Too much of tears and wasted years, I'm roamin  
That's why I want to intensify, (to) start a story one more time. Never saw the reason why not to try
