

Jesu, Sun Day

It's inside of me.
It's what I want to be.
It's inside of me,
and it's clear to see.
You're my heart.
You're my heart.
You're my heart.
You're my heart.

It's inside of me.
It's what I'll always be.
It's inside of me,
and it's clear to see.
You're my heart.
You're my heart.
You're my heart.
You're my heart.
You're my heart.

You're my heart.
You're my heart.
You're my heart.
You're my heart.
