

# Jesus And Mary Chain, On The Wall

JESUS AND MARY CHAIN

Sidewalking

Chilled to the bone and five miles from home

I'm messing in the dark and feeling all alone

I got ice in my fire got heat in my wire

Inject a little heat I'm burning up the tyres

Sidewalking

Talking like I'm on and I'm the only one

I'm making like I'm done and staring like a gun

And I got to get a car

And I got to get a ride

Gotta get a car

Got Jesus on my side

Sidewalking

Messing in the dark and walking all alone in the streets

Know just where I'm going

Sidewalking

Chilled to the bone

Hotwire all the way home
