Ignorance, arrogance, one dance, one chance  
My moves boy deployed are a sensation  
Give me another chance, just give me another chance  
And I'll show you yeah  
Another chance, another chance yeah

Rise to the occasion caucasian enjoy  
Surprise I'm a caucasian sensation decoy  
High fives when ya get back, when ya get back  
Ya boy toy  
So rise to the occasion caucasian
