

Jettingham, Hardcore

You want to fight me thats fine
You'll kick my ass and that's fine
I'll walk away yeah thats fine
But I'll get all your women
Anyway
Its ok to pretend you're gay
It's fine to sip on a wine
Cooler in the summer time
Dress warmer in the winter time
I know you're cold so put on your coat
You're not so hardcore anymore

You're not so
You're not so hardcore anymore
You're not so
You're not so hardcore anymore

It's alright to not want sex tonight
It's just great to stay up late and masterbate
Chicks like you better when you're real
So tell them exactly how you feel
And drop your shell of stainless steel
You're not so hardcore anymore

You're not so
You're not so hardcore anymore
You're not so
You're not so hardcore anymore

You want to fight me and that's fine
You'll kick my ass and thats fine
I'll walk away yeah thats fine
But I'll get all your womennnnnnnn, anymore

You're not so
You're not so hardcore anymore
You're not so
You're not so hardcore anymore
You're not so
You're not so hardcore anymore
You're not so
You're not so hardcore anymore
