

# Jewel, I Hate Valentine's Day

Valentine's day  
Wish I had a sweetheart  
It's valentine's day  
Didn't even get a stinkin' card  
It's valentine's day  
I just have to say  
I hate valentine's day

It's valentine's day  
And I didn't get no chocolate  
It's valentine's day  
If I had a heart I'd hock it

It's valentine's day  
All I have to say  
I hate valentine's day

It's valentine's day  
And I hope it finds you healthy  
It's valentine's day  
I'm glad your stinkin' girlfriend's wealthy (? )  
It's valentine's day  
I just love to say  
I hate f\*\*kin' valentine's day
