

# Jewel, Little Bird Song

There's a little bird  
Somebody sent down to earth  
To live along the wind  
Blowing on the wind  
And she sleeps on the wind  
This little bird, somebody sent

Light and fragile  
And feathered sky blue  
Thin and graceful  
The sun shining through  
She flies so high up in the sky  
Way out of reach of human eyes

Light and fragile

And feathered sky blue  
Thin and graceful  
The sun shining through  
She flies so high up in the sky  
Way out of reach of human eyes

Light and fragile  
And feathered sky blue  
Thin and graceful  
The sun shining through  
And the only time that she touches ground  
Is when that little bird, little bird  
Is when that little bird, little bird  
Is when that little bird, little bird  
Is when that little bird dies
