

# Jhene, Promise Ring

T.U.G....Jhene...one for the trucks

(Verse 1)

Sometimes i feel so unsure  
thinking my baby don't love me no more  
and that's when i get to trippin  
accuse him of things that are all in my head  
i don't want to feel insecure  
but saying it ain't enough  
show me what's up  
some kind of token of love  
it don't have to cost that much  
make me blush and slide one on my finger

(Chorus)

If you buy me a promise ring  
i'll give you my everythig  
yes or no boy don't you say maybe  
come be my baby and i'll be your girl  
promise ring or Jacob watch  
that's the way to win my heart  
i'm hanging on and you're making me crazy  
come be my baby and i'll be your girl

(Verse 2)

Lately i don't know the deal  
i need something a young girl can feel  
when it's not what it seems to a girl like me  
it's the simple things that mean more than a house on a hill  
you'll bring me peace of mind  
with something that shines  
i feel like forever your dime  
check yes to love letter for one step better  
so it feels like your forever mine baby

After my birthday  
the rose withers away  
after Valentine  
sometimes your heart ain't mine  
after Christmas  
when every gift is unwrapped  
i still need a little more than that

(Chorus)

(Bridge)

Platinum, gold, or silver baby i don't really mind  
cuz only love can make it shine  
let's make this official  
don't you think it's about time  
for us to take it there be the perfect pair  
cuz i wanna be by your side

(Chorus)
