

# Jhene, Wanna Be

[Verse 1]

I wanna be your everything  
not just a friend  
not someone who you call now and then  
but someone who you be lovin til the end  
all i need  
someone to be  
my shoulder  
the one i can tell anything  
the one i can share my dreams with

[B Section]

You look like my type a guy  
i could see spending all my time  
but i'm not even gonna lie  
i wanna be more

[Hook]

I wanna be the one  
you givin your heart to  
i don't wanna be the one  
you're into and we're through  
i wanna be the one  
who keep it real wit chu  
i don't wanna be the one  
you just be talking to  
i wanna be your all the time girl

[Verse 2]

15 years old  
but i know how i feel  
see i'm lookin for somethin real  
if you wanna know here's the deal  
i can be your girl  
you can be my man  
and just cuz you a little bit older  
don't mean i'm gonna let you be  
tellin me how it has to be

[B Section]

[Hook]

[Bridge]

I wanna be  
the first one you think of in the morning  
the last one you think of at night  
i wanna be  
the one you call to say i love you  
and you can't stand to say goodbye  
i wanna be your all the time girl

[Hook out]
