

Jhene, Won't Play The Games

(Conversation)

I'm not tryna mess with ya'll

I know what ya'll gonna try to do

Tryna hook me up with him, and let me talk o him, and make.....naw man, naw

I don't want to experiment and date around you know?

I just want one guy like.....I'm not, I'm not with all that meeting people, and testing the water, and st

I just want to date one guy and see where it goes from there

(Verse 1)

There's no reason for me to do what you want me to, that's the truth

Wanna chill by myself and it's cool

Despite what you may think

Cause I say when the time is right

The real thing will come into my life

And until then, I'm so satisfied

And happy with me ohh

(Chorus)

Ain't looking for nobody though they're saying that I should

I ain't really searching cause I know what I'm looking for

Nothing to figure out, nothing to talk about

I won't play the games

Don't wanna catch a show with every hottie in the hood

I ain't really stressen cause I know what I need and more

Nothing to think about, nothing to talk about

I won't play the game

(Verse 2)

Think I'm lonely and I'm hurting, hoping and searching for love

But that just ain't the case

When I'm home alone, or chillin with my friends

I do it at my own pace

Just cause you could figure out what real love is all about

Don't even think that's what I feel inside, cause I'm not tryna rush it

These things take time

(Chorus)

(Bridge)

You may think I'm crazy baby

But I got my mind made up, it's true

I'm not wasting time

Trying to find

What destiny has prepared for me

So I don't wanna talk no more no

(Chorus 2x)
