

Jhon McLaughlin, Smack Into You

Head down as I watch my feet take turns hitting the ground
eyes shut, I find myself in love racing the Earth
and I soaked in your love
and love is right in my path, in my grasp
and me and you belong
I wanna run, run smack into you
I wanna run, run, smack into you
ears closed, what I hear no one else has to know
cause I know that what we have is worth first place in gold
and I soaked in your love
and love is right in my path, in my grasp
and me and you belong
and I, I wanna run, run smack into you
Im willing to run, run smack into you
Head down as I watch my feet take turns hitting the ground
eyes shut, Im in love and Im racing the Earth
and I soaked in your love
and love is right in my path, in my grasp
and me and you belong
and I wanna run, run smack into you
Im willing to run, run smack into you
Im willing to run run run run run ooh ooh ooh ooh
I wanna run, run smack into you
Im willing to run, run smack into you
