

Jill Phillips, Tell Me Again

The comfort is gone
I don't know where I belong
You're moving me on
I want to be
The one who falls down to her knees
And follows your lead
I'm fighting fear
I need someone who can hear

Save me from loneliness
There is no one who will walk with me now
So walk with me now
I'm so far from home
I know the narrow road
Is what you promised those following you
And seeking the truth
So tell me again I'm not alone

I don't doubt your plan
I only doubt my will to stand
I'm holding your hand
Cause I'm fighting the flow
And no one believes that I chose
This way to go
It gets so hard
Face to face with the doubt in my heart
