

# Jill Scott, A Long Walk (REMIX)

You're here  
I'm pleased  
I really dig your company  
Your style, your smile,  
Your peace mentality  
Lord, have mercy on me  
I was blind, now I can see  
What a king's supposed to be,  
Baby, I feel free, come on and go with me

Let's take a long walk,  
Around the park, after dark  
Find a spot for us to spark  
Conversation, verbal elation, stimulation  
Share our situations,  
Temptations, education, relaxations,  
Elevations  
Maybe we can talk about Surah 31:18

Your background, it ain't squeaky clean  
Shit, sometimes we all gotta swim upstream  
You ain't no saint, we all are sinners,  
But you put your good foot down to make your soul the winner  
I respect that  
Man you're so phat,  
And you're all that  
Plus supreme  
Then you're humble  
Man I'm numb yo,  
With feelin'  
I can feel everything that you bring

Let's take a long walk,  
Around the park, after dark  
Find a spot for us to spark  
Conversation, verbal elation, stimulation  
Share our situations,  
Temptations, education, relaxations,  
Elevations  
Maybe we can talk about Revelations 3:17

Or maybe we can see a movie  
Or maybe we can see a play  
On Saturday  
Or maybe we can roll a tree  
And feel the breeze  
And listen to a symphony  
Or maybe chill and just be  
Or maybe  
Maybe we can take a cruise  
And listen to The Roots  
Or maybe eat some passion fruit  
Or maybe, cry to the blues  
Or maybe we could just be silent...  
Come on  
Come on

Maybe we can talk about Psalms in entirety
