

Jill Scott, Exclusively

Hello Hello Hello Hello Hello Hello Hello Hello
Hello Hello Hello Hello.....Hello

Mmmm, this morning my man exclusively
introduced me to some goooood extra lovin'
He was lickin' and suckin' on everything
Just the way he should
This morning's extra lovin' was good

We laid there sweaty and
sex-funky
Happy as we wanna be
Lovin' exclusively
My man and me
all night all mornin' so our stomachs were growling hungrily

So I jumped up and went to the store
in hopes of commin' back and getting a little more
of this mornin's good extra lovin'

At the market the people were pushin' and shovin'
tryin' to be the next in line
The turn was mine and the
new girl at the counter was
Cute-Not as fine as me
Was this women's intuition?
some kind of insecurity?
Naw, cuz my man is happy
at home lovin' me exclusively

So I shook my head
Wuzup?
Hello, she smiled
and rung me up
Orange juice
\$3,29
croissants
\$4.85
She sniffed
butta
89 cents
She sniffed
strawberries
\$1.5' a pint

She sniffed
and sniffed and sniffed and sniffed again
And then replied

Raheem right?

Right.
