

# Jill Scott, Slowly Surely

Slowly surely  
I walk away from that old desperate, and tainted love  
Caught up in a maze of love  
a crazy, crazy love  
Thought it was good, thought it was real  
Thought it was but it wasn't love

I just don't know  
Where I should go  
So slowly surely  
I walk away from self-serving, undeserving,  
constantly hurting me love  
Deserting me love  
You said, I said, We said  
but

Slowly surely  
I walk away from confusing love  
Misusing love, abusing love  
This cant be  
So Slowly surely  
I walk away from self-serving, undeserving,  
constantly hurting me love,

I just don't know  
Where I should go, no  
I just don't know, know, know, know  
Where I should go, so  
Slowly Surely  
I walk away from that old desperate and dead love  
Caught up in the maze of love  
The crazy craze of love  
Thought it was good thought it was real  
Thought it was but it wasn't love  
I just don't know  
Where to go  
So

Slowly Surely  
I walk away from  
I walk away from  
Slowly surely  
I walk away from love  
Oooooo  
Lonely  
One step at a time  
But surely  
I will pass the old love aside and loving  
Slowly surely  
I walk away from  
Slowly surely  
I walk away from  
Desperate love caught up in the maze of love  
Crazy, crazy, crazy, crazy love, I

Slowly surely I walk away from x6  
Slowly, slowly  
Slowly Surely
