

# Jim Brickman, Beautiful (As You)

From the moment I saw you,  
From the moment I looked into your eyes.  
There was something about you I knew, I knew.  
That you were once in a lifetime,  
A treasure near impossible to find.  
I know how lucky I am to have you.

'cause I've seen rainbows that could take your breath away.  
The beauty of the setting sun that ends a perfect day  
And when it comes to shooting stars, I have seen a few.  
But I've never seen anything as beautiful as you.

Holding you in my arms  
No one else's fit so perfectly  
I could dance forever with you, with you  
And at the stroke of midnight  
Please forgive me if I can't let go  
Cause I never dreamed I find a cinderella of my own

'cause I've seen rainbows that could take your breath away (take your breath away)  
The beauty of the setting sun that ends a perfect day  
And when it comes to shooting stars, I have seen a few.  
But I've never seen (I've never seen) anything (anything) as beautiful as you.

La da da da da da daaaaa  
Ooohhhhhhhhhhhh Ohh

I've seen rainbows that could take your breath away (take your breath away)  
The beauty of the setting sun that ends a perfect day  
And when it comes to shooting stars, I have seen a few.  
But I've never seen (I've never seen) anything (anything) as beautiful  
No I've never seen... anything as beautiful as you

From the moment I saw you,  
From the moment I looked into your eyes.
