

# Jim Brickman, The Love I Found In You

You are the air I need to breathe  
the river of life inside of me  
you are the half that made me whole  
you are the anchor of my soul  
and you are strong when I am weak  
you are the words when I can't speak  
you never fail to see me through  
that's the love I found in you  
you are my shelter from the storm  
you are the road that leads me home  
and baby with you here face to face  
Oh I know I've found my place  
and you are strong when I am weak  
you are the words when I can't speak  
you never fail to see me through  
that's the love I found in you  
and once in every life  
you find the one that's right  
and when you say forever it's true  
That's the love I found in you  
You are strong when I am weak  
you are the words when I can't speak  
you never fail to see me through  
That's the love I found in you  
That's the love, love I found in you.
