

Jim Brickman, Til I See You Again

The holy voices speaking,
words I can't recall.
And I do still believe
if I believe in anything at all.
All you hear in me and all you hear.
I thought I saw you walking down by a street yesterday.
I thought I heard your voice though
I could not hear just what you say.
And I am waiting .
And I'm waiting here for you.
I'm whispering your name.
I am telling to the wind.
Your love has brought me here.
'til I see you again.
I am opening the door.
I will let this moment in.
Your love will find me here. 'til I see you again.

And I still can remember as I write down these words.
The music in your voice and the silence of the universe.
And I am singing.

And now I'm singing here for you.
I'm whispering your name.
I am telling to the wind.
Your love has brought me here.
'til I see you again.
I am opening the door.
I will let this moment in.
Your love will find me here.
'til I see you again.

And I am whispering your name.
I am telling to the wind.
Your love can find me here.
'til I see you again.
I am opening the door.
I will let this moment in.
Your love can find me here.
'til I see you again.
