

Jim Brickman, Until I See You Again

The Holy voices speaking, words I can't recall
And I do still believe if I believe in anything at all
All you hear in me and all you hear
I thought I saw you walking down by a street yesterday
I thought I heard your voice though I could not hear
just what you say and I am waiting
And I'm waiting here for you

I am whispering your name
I am telling to the wind
Your love has brought me here
'Til I see you again
I am opening the door
I will let this moment in
Your love will find me here
'Til I see you again

And I can still remember as I write down these words
The music in your voice and the silence of the universe
And I am singing
Now I'm singing here for you

I am whispering your name
I am telling to the wind
Your love has brought me here
'Til I see you again
I am opening the door
I will let this moment in
Your love will find me here
'Til I see you again.....

I am whispering your name
I am telling to the wind
Your love will brought me here
'Til I see you again
I am opening the door
I will let this moment in
Your love can find me here
'Til i see you again
