

# Jim Croce, A Good Time Man Like Me Ain't Got No

I was born to sing a good-time song  
You know that nothin' used to bring me down

'Til the day I fell in love with you  
And baby that's the day I found...

You had me singin' the blues  
Singin' the blues  
But a good-time man like me  
Ain't got no business singin' the blues

Go on woman get out of here  
You know that I don't wanta see your face  
'Cause the things you're doin' to this boys mind  
Is just an absolute disgrace...

You got him singin' the blues  
Singin' the blues  
But a good-time man like me  
Ain't got no business singin' the blues

Never gonna fall in love again  
You know I learned my lesson well  
I played the game of love and lost my heart  
You can believe me when I tell you that I'm...

That I'm singin' the blues  
Singin' the blues  
But a good-time man like me  
Ain't got no business singin' the blues

You got me singin' the blues  
Singin' the blues  
But a good-time man like me  
Ain't got no business singin' the blues

You had me singin' the blues  
Singin' the blues  
And a good-time man like me  
Ain't got no business singin' the blues
