

Jim Diamond, Should Have Known Better

And I shoulda known better
To lie to one as beautiful as you
Yeah, I should have known better
To take a chance on ever losing you
But I thought you'd understand
Can you forgive me

I saw you walking by the other day
I know that you saw me, you turned away
And I was lost
You see, I've never loved no one as much as you
I've fooled around but tell me now just who is hurtin' who

And I should have known better
To lie to one as beautiful as you
Yeah, I should have known better
To take a chance on ever losin' you
But I thought you'd understand
Can you forgive me

I-I-I-I-I-I-I-I-I-I
Shoulda known better
I-I-I-I-I-I-I-I-I-I
Shoulda known better

It's true, I took our love for granted all along
And trying to explain where I went wrong
I just don't know
I cry but tears don't seem to help me carry on
Now there is no chance you'll come back home, got too much pride

And I should have known better
To lie to one as beautiful as you
Yeah, I should have known better
To take a chance on ever losing you
But I thought you'd understand
Can you forgive me
Ughh
I-I-I-I-I-I-I-I-I-I love you
I-I-I-I-I-I-I-I-I-I love you

No-no-no-no-no-no-no I love you
No-no-no-no-no-no-no, yeah
And I should have known better
To lie to one as beautiful as you
