

Jim Ed Brown & The Browns, Taste of Heaven

Oh I found the taste of heaven give me more
I never dreamed that love could be like this before
No I never knew the thrill that I have missed
Until I found the taste of heaven in your kiss

I felt at first when you just barely touched my hand
But I was young and foolish and I didn't really understand
I wondered what sensation could make me feel like this
And then I found the taste of heaven in your kiss
Oh I found the taste of heaven...

[guitar]

Now you know it's true that I'm really in love with you
So now don't you go and break my heart in two
Just stay with me and let me share the bliss
That comes from the taste of heaven in your kiss
Oh I found the taste of heaven...
