

# Jim Ed Brown & The Browns, Taste of Heaven

Oh I found the taste of heaven give me more  
I never dreamed that love could be like this before  
No I never knew the thrill that I have missed  
Until I found the taste of heaven in your kiss

I felt at first when you just barely touched my hand  
But I was young and foolish and I didn't really understand  
I wondered what sensation could make me feel like this  
And then I found the taste of heaven in your kiss  
Oh I found the taste of heaven...

[ guitar ]

Now you know it's true that I'm really in love with you  
So now don't you go and break my heart in two  
Just stay with me and let me share the bliss  
That comes from the taste of heaven in your kiss  
Oh I found the taste of heaven...
