## Jim Ed Brown & The Browns, You Nearly Lose Yo

Well, if you love your mama and you treat her right But she keeps a fussin' at you every day and night She's triflin' on ye they'll do it every time And when your baby starts to steppin' Lord, you nearly lose your mind.

But if your mama's good I'll tell you what to do Give her lots of lovin' and what she wants to do She'll trifle on ye they'll do it every time And when your baby starts to steppin' Lord, you nearly lose your mind.

--- Instrumental ---

Now I've been lots of places not much I ain't done But when it comes to women I just don't trust a one Because they'll trifle on ye they'll do it every time And when your baby starts to steppin' Lord, you nearly lose your mind.

You come home to your mama find your clothes ain't clean You can bet you're slippin' if you know just what I mean She's triflin' on ye they'll do it every time And when your baby starts to steppin' Lord, you nearly lose your mind...
