

Jim Johnston, Apocalypso

Words and music: jim johnston

I didn't sleep well last night, how about you? - you crazy thing! this bowl of toasteeo's wont pull me

The truth wont bring me down - unless someone finds out what it is.

On the road to nowhere I have seen some crazy things, messengers of hope toasted and green, w

The truth can't bring me down unless somebody knows what it is.

I keep on dreaming that they're coming for me, and there's nothing down here that can set me free

You wont believe anything until it happens to you! -warp two.

At the helm they don't know what to do - those crazy beings! - straighten deck chairs on titanic two

The truth wont bring you down at least until you know what it is.

I keep on dreaming that they're coming for me, and there's nothing down here that can set me free

You wont believe anything until it happens to you! -warp two!

With your finger on the button I'd swear that you know, but it's all that I have left now that I'm stand

You wont believe anything until it happens to you. - warp two.

The truth can't bring you down....
