Jim Reeves, Linda

(Linda, Linda, I wish you were mine)

When I go to sleep I never count sheep I count all the charms about Linda And lately it seems in all of my dreams I walk with my arms about Linda.

But what good does it do me For Linda doesn't know I exist I can't have feeling blue me 'Cause just think of all the lovin' I've missed.

We pass on the street My heart skips a beat I say to myself hello Linda If only she'd smile I'd stop her a while And then I would get to know Linda.

But miracle still happened And when my lucky star begins to shine With one lucky break I'll make Linda mine.
