

Jim Reeves, Sweet Sue

Every little star above knows the one I love
Sweet Sue, just you
And the moon up high knows the reason why
Sweet Sue, it's you,

No one else it seems ever shares my dreams
And without you dear I don't know what I'd do
In this heart of mine you live all the time
Sweet Sue, just you.

--- Instrumental ---

(Every star above knows the one I love)
It's you, sweet Sue
(And the moon up high knows the reason why)
It's you, sweet Sue.

Nobody else it seems ever shares my dreams
And without you dear I don't know what I'd do
In this heart of mine you live all the time
Sweet Sue, just you, just you, just you...
