

# Jim Reeves, True

It's true, I know it's true, I'm losing you  
And it's breaking my heart  
It's true, I know we're through  
There's someone new, it just tears me apart.

I don't know what I'll do without you  
I've loved you for so long  
I've built my whole world around you  
And I just can't believe that you're gone.

But it's true, I know it's true, my dreams are through  
And they'll never come true.

--- Instrumental ---

I've built my whole world around you  
And I just can't believe that you're gone  
But it's true, I know it's true, my dreams are through  
And they'll never come true...
