

# Jimi Hendrix Experience, Are You Experienced?

If you can get your...mind together,  
Then come across to me....  
We will hold hands as we watch the sunrise,  
From the bottom of the sea...

But are you experience?  
Have you ever been experienced?  
(I have...)

I know, I know you'll probably...scream  
and cry,  
That your little world won't let you go...  
But who are you in your measly world...  
Thinking you are made outta gold...  
Can't be sold...

(Chorus)

Violins and trumpets I can hear in the  
distance...  
I think they are calling are name,  
Maybe now you can't haer them...  
Just wait and take hold of my hand.

Now...you are experience...have you ever  
been experience?

(Spoken) Not necessarily stoned...beautiful
