

# Jimi Hendrix Experience, Rainy Day, Dream Away

Cough, cough, sniff, sniff  
Hey man, take a look out the window  
And see what's happening  
Hey man, its rainin' its rainin' outside man  
Oh don't worry about that, brother  
Everything's gonna be everything  
We'll get into something real nice, you know  
Why don't ya sit back and groove on a rainy day

Sniff, yeah  
Sniff  
Yeah I see what you mean brother  
Maybe I can groove

Rainy day dream away  
Let the sun take a holiday  
Flowers bathe and uh  
See the children play  
Lay back and groove on a rainy day  
Well I can see a bunch of wet preachers, look at 'em on the run  
The carnival traffic noise, it sinks  
Into the splashy hum  
Even the ducks can groove  
Rain burdened in a park-side pool  
And I'm leanin' out my window sill  
Diggin' everything  
And uh you too

Rainy day rain all day  
Ain't no use in gettin' up tonight  
Just let it groove its own way  
Let it drain  
Your worries away  
Lay back and groove on a rainy day  
Lay back and dream on a rainy day
