

Jimi Hendrix Experience, Remember

Oh remember
The mockin' bird my baby bought
He used to sing for his supper baby
Yes, he use to sing for his dinner babe
He used to sing so sweet
But a since my baby left me
He aint sang a toon all day

Oh remember the blue birds and the honey bees
They used to sing for the sunshine
Yes, they used to sing for the honey
They used to sing so sweet
But a since my baby left me
They aint sang a toon all day

All day
Hey pretty baby come on back to me
Make everybody happy as can be
Yeah

So baby if youll please come home again
You know Ill kiss you form my supper yeah (click)
You know Ill kiss you for my dinner baby now

But a if you dont come back you you know Ill starve to death
Casue I aint had a kiss all day now
Please remember you got to remember
You got to remember our love

Come on back come on back in my arms
Ill make everything that better
Come on baby hurry up now
Can you hear me calling you back
Come on baby stop jiving around hurry home, hurry home
