

Jimi Hendrix, Right On Straight Ahead

Freedom
Keep on pushing straight ahead
Drifting
Ezy Ryder
Here comes Ezy, Ezy Ryder,
Riding down the highway of desire
The free wind takes him higher
Trying to search for his heaven above
But he's dying to be loved
He's gonna be living so madly
Today is forever, so he claims
He's talking about dying, it's almost tragic, baby
But don't you worry about today
We got freedom coming our way
How long do you think he's gonna last -
Can I forecast?
See all the lovers say "Do what you please!"
Gotta get the brothers together and the right to be free
In a cloud of angel dust I think I see a freak
Hey, look, motorcycle mama, you gonna marry me
(Gonna be stoned crazy...
Love come in kinda easy... stoned crazy, baby)
There goes Ezy, Ezy Ryder
Riding down the highway of desire
He says the free wind takes him higher
Searching for his heaven above
He's dying to be loved
Night Bird Flying
My Friend
Straight Ahead
Hello, my friend
so happy to see you again
I'm so alone
All by myself
Just couldn't make it.
Have you heard Baby
What the winds blowing down
Have you heard Baby
A lot of peoples coming right on down.
Communication coming on strong
it don't give a damn Baby
if your hair is short or long
I said get out of your grave
Everybody is dancing in the street
Do what you know don't be slow
You gotta practice what you preach
Cause it's time for you and me.
Forget about the past Baby
Things ain't what they use to be
Keep on Straight Ahead
We got to stand side by side
We got to stand together and organize
They say power to the people
Thats what they're screamin'
Freedom of the soul
Pass it on, pass it on to the young and old.
You got to tell me the children the truth
they don't need a whole lot of lies
Cause one of these days Baby
They'll be running things.
So when you give them love
You better give it right
Woman - Child - Man and Wife
the best love to have is the Love of Life.

Hello my friend
So good to see you again
Been all by myself
I don't think I can make it alone
Keep Pushing Ahead.
