## Jimmie's Chicken Shack, Blood

Just how far is too far away Will you share your blood with me I'll share mine with you after all the warning know that i'm not better still I'm begging still let's risk it here we go

Its in my blood

Just how far is far away Will you bare your blood with me Prepare mine with you After all the worry know that I'm not better still I bed to kill lets risk it here we go

Its in my blood

We'll not forget the way time hesitites I will not forget the fear of sore eyes will not forget the way time hesitates to kill my friends Its simlpy reality

I know everytime I kill myslef I know everytime I kill myslef I'll do anything fullfill myself I know everytime I kill myslef

Will not forget the way I know everytime I kill myself will not protect the spirit with more lies we'll not regret or sway I'll do anything to foolfill myself will not forget the fever which grows strong
