

Jimmy Buffett, Beyond The End

Mayan moon was burning
We saw visions
Of the past returning
On the shore
The band was playing
We all heard
What the moon was saying

The world keeps closing in
It has before
It will again
A voice beyond the wind
Says we must go
Beyond the end
So follow
Beyond the end

A sea of friends are singing
Vaya con dios
Mis amigos
We take their hopes and feelings
To some new world
We'll be revealing

Old worlds keep closing in
They have before
They will again
Voices call
Beyond the wind
Say we must go
Beyond the end
And follow
Beyond the end
