## Jimmy Buffett, La Vie Dansante

They can can come take it all away Break your heart by the light of day Drown your love in a distant bay So lonely See the ship heading for the rocks

See the time melting off the clocks There's a light shatters all the locks And saves me It saves me

[Chorus:]

That's why I wander and follow La Vie Dansante
On the night wind that takes me just where I want
That's all I want La Vie Dansante
Why don't you wander and follow La Vie Dansante
On the night wind that takes you just where you want
That's all you'll want La Vie Dansante

Miss the beat if you close your eyes Every night wears a new disguise And I live when a new surprise surrenders

Feel it all with a willing heart Every stop is a place to start If you know how to play the part with feeling I play with feeling

[Chorus]
