

Jimmy Buffett, Money Back Guarantee

(Jimmy Buffett, Michael Utley, Will Jennings)

One day you'll be glad I came around
I may be the best thing you have found
Ain't much you can count on in this town
I swear I'm speaking from my heart
And I want let you down

My love is guaranteed
You're never going to see the end of me
I've got all you need
Like a ginsu knife or a bamboo steamer
Late night TV hawk-eyed screamer
You'll be the coffee I'll be the creamer
I'm money back, money back guaranteed
Money back, money back guaranteed

I just do my best to stay alive
Got a junked out car but you should see me drive
Racing down St. Charles Avenue
Ain't got much but what I got
Will sure be good for you

My love is guaranteed
You're never going to see the end of me
I've got all you need
Like a ginsu knife or a bamboo steamer
Late night TV hawk-eyed screamer
You'll be the coffee I'll be the creamer
I'm money back, money back guaranteed
Money back, money back guaranteed

Flyin' down the highway of my dreams
You will find my crazy love
Is always what it seems

My love is guaranteed
You're never going to see the end of me
I've got all you need
Like a ginsu knife or a bamboo steamer
Late night TV hawk-eyed screamer
You'll be the coffee I'll be the creamer
I'm money back, money back guaranteed
Money back, money back guaranteed
