

Jimmy Dean, Do You Love Me

Do you love me do you want me do you feel the way I do
Are you yearning yearning burning burning I am too
Do you lay awake and think about me all night through
Then you'll know just how I'm feeling cause you feel the way I do
Do you love me love me love me like I'm loving you

Do you feel each day as if you're walking upon a cloud
Does your heart beat fast and make you sing out loud
Are you gettin' butterflies at just thought of me
Then you'll know just how I feel I love you just as much you see
Do you love me love me love me like I'm loving you

[guitar]

If it's true that love is blind and I can't see a thing
Got that crazy kind of feeling only love can bring
Can't help thinking out you baby all the time
And I won't be satisfied until I've made you mine
Do you love me love me love me like I'm loving you
Do you love me love me love me like I'm loving you
