

# Jimmy Dean, Put It Off Until Tomorrow

Put it off until tomorrow oh oh you've hurt me enough today  
You say our love is over that you have found another  
And you say you're going away  
Leave me tomorrow oh oh you've hurt me enough today  
I've hurt me enough today you can't believe a word that I say  
But you must accept the fact I won't be coming back  
Oh but stay stay just one more day loneliness isn't far away  
Put it off until tomorrow oh oh you've hurt me enough today  
Put it off until tomorrow oh oh you've hurt me enough today
