

Jimmy Eat World, House Arrest

I can't bend my arms and legs please sign my cast or be without me.
And I'll see the day when you can come to my house and play with me.
See you in the morning.
Can't you see I'm grounded.
Underground, go crazy afterall because it's ok for kids.
We all know, just plain and simple, nothing ever goes my way.
And I'll see the day, and I'll kill the day, the day.
And I'll see the day when you can come to my house and play with me.
See you in the morning.
Can't you see I'm grounded.
Underground, go crazy afterall because it's ok for kids.
We all know, just plain and simple nothing ever goes my way.
