

# Jimmy Eat World, I Will Steal You Back

When you pull me in sometimes I almost feel  
The picture in my head, it's just too real  
It's gonna be how it is, there's some things you don't change  
Until you're done with telling us of that story

How slowly we built up walls  
The years they pile on  
I will steal you back  
It's funny how the smallest lie  
Might live a million times  
I will steal you back,

Here we go, here we go, we'll take on so much pain  
To feel secure, not feel anything  
I only pick a fight I know I'm sure to lose  
So I could I not hold my hope for you

How slowly we built up walls  
The years they pile on  
I will steal you back  
It's funny how the smallest lie  
Might live a million times  
I will steal you back, back

How slowly we built up walls  
The years they pile on  
I will steal you back  
It's funny how the smallest lie  
Might live a million times  
I will steal you back, back  
I will steal you back  
I will steal you back
