

Jimmy Fallon, Star Wars Medley

Colin Quinn: This week the first advanced reviews of the new Star Wars movie came out. Really excited about it is Jimmy Fallon.

Jimmy Fallon: Thanks, Colin. In two weeks, the big movie comes out and I'm totally psyched to see it. The build-up is huge, I mean, there's people camped out for weeks just to get tickets, ya know.

Every morning there's a line around my corner
'Cause I live next to the cineplex

Scalpers wanted, like two hundred for a ticket
Didn't have it so I wrote them a check

I just can't believe it
George Lucas is a genius
Star Wars is back again

First I'm gonna see it
And then I'm gonna see it again

Every morning,
Shut the door, baby, the movie just started,
Every morning...

Jimmy: Something like that. And Sam Jackson's in it, too. And he's gonna- he's cool man, he's cool, he's gonna play this guy called Mace Windu

To Eminem's My Name Is

Hi kids, do you like sci-fi action
With Sam Jackson,
Gonna grow up like Titanic with Bill Paxton

Cool brother with the bald head and goatee
Isn't he the first black guy to be in Star Wars Since Billy D

Hi, my name is
Huh, my name is
Who, my name is

Chicki, chicki, Mace Windu
