

Jimmy Jansson, Someday, Somehow

There is a girl, she is everything to me
I close my eyes and this girl is all I see
I like her smile, yes I do, yes I do, yes I do
And everytime I look into her eyes
I see this blue-eyed angel in disguise
She's all I need and she's all I really want, really want

I can see her
When I'm dreaming
Wish my dreams could be true

Someday, somehow
You will be mine and I will be yours, I know
Someday, somehow
All that I want is to spend all my time with you
Someday I do

My heart is breaking everytime I see her face
I like to hear every single word she says
And do I like her, yes I do, yes I do, yes I do

I can see her
When I'm dreaming
Wish my dreams could be true

Someday, somehow
You will be mine and I will be yours, I know
Someday, somehow
All that I want is to spend all my time with you
Someday I do

Wanna feel her, wanna hold her
Oh, this girl's so fine
And I need her, and i want her
Could I make her mine

Someday, somehow
You will be mine and I will be yours, I know
Someday, somehow
All that I want is to spend all my time with you
Someday I do

(someday I do)
(ooh, someday I do)
(someday I do)
